YOUR OPPORTUNITY

Dear Prospective Partner,

We are excited to present this one-of-a-kind opportunity to partner with us for the seventh annual North American Dental Sleep Medicine Symposium!

The 2026 Symposium offers valuable networking opportunities, and you will be able to spend quality face time with hundreds of dentists and sleep professionals who are involved in Dental Sleep Medicine.

The event focuses on the practical aspects of Dental Sleep Medicine, emphasizing practice growth, increased efficiency, and providing optimal care. The presenters are comprised almost entirely of dentists who treat hundreds of patients every year.

Take advantage of this chance to showcase your offerings and engage Dental Sleep Medicine Practitioners. In previous years, we had 10 companies on the waiting list for Sponsorship. Our exhibitor packages sell out quickly every year. Register today, for what many refer to as “The Best Dental Sleep Medicine event, ever!”

A Message To Our Sponsors

Lisa Herdt, President

I take pride in delivering an exceptionally partner-friendly NADSM Symposium sponsor experience, added thoughtful touches that our team has dreamed up with you specifically in mind: conveniently foot-trafficked booth locations with table set-ups provided, and early partners-only onsite lunch — so that you can focus on what matters during the lunch rush, 45 min breaks that allow more time for interaction and networking, and more.

As Dental Sleep Solutions' President, I look forward to seeing you at the 10th Annual NADSM Symposium and working together to empower dentists to help patients breathe better, sleep better, and live better and longer lives.

Frances Romero, Director of Operations

I've had the privilege of watching the North American Dental Sleep Medicine Symposium (NADSM) grow into one of the most impactful events in dental sleep medicine.

As we celebrate our tenth annual NADSM, I'm proud of how far we've come and energized by the momentum ahead. Our commitment remains the same: to host a world-class event that's educational, collaborative, and truly enjoyable. I invite you to join us in sunny Clearwater, FL for what promises to be an unforgettable gathering of the DSM community.
